

Product Information:

# LENTO

## Disinfectant

### Description:

A general purpose disinfectant with powerful sanitising action and pleasant lavender odour. Formulated to QAP 50 standard. Suitable for use on floors, walls, drains and in toilet areas. Lento has been used widely in kennels, stables, farms, landfills and any area where animals are kept on herd standing.

### Features:

- Kills smells and bacteria
- Contains powerful quat biocide
- Contains pleasant lavender fragrance
- Effective at dilutions of up to 1:50 in water
- Effective in hard and soft waters
- Ideal for communal areas
- Safe on paint work, metal surfaces, glass and rubber

### Applications

Recommended to freshen and clean all public toilets, washrooms and ablution areas including those in service areas, theme parks, hotels, restaurants, licensed premises, offices, all general buildings and industrial and commercial premises.

General Cleaning: For heavy duty cleaning dilute up to 50:1 in warm water, mop or wipe surface to be cleaned and then rinse with clean water. It is advisable to allow 10 minutes contact time to ensure all bacteria have been killed.

Toilet Areas: Use neat in lavatories, urinals and drains on a regular basis.

### Physical characteristics
